TABLE I.
AREA, HOUSES AND POPULATION.

Jammu and Kashmir Census 1931.

1. The Bhadrawah Jagir which at previous censuses used to be shown as a separate district of the Jammu Province ceases to exist as a separate administrative unit and has been amalgamated with the Udhampur District with which its totals have consequently been incorporated.

2. The totals of Chenani Jagir were included in Udhampur District in the past but the Jagir being a separate administrative unit its totals have been shown separately under the proper head "Jagirs".

3. The three districts of Kashmir North, Kashmir South and Muzaffarabad make up the Provincial Total of Kashmir Province. At the last census an additional heading of "Kashmir Valley" was included in the tables which simply represented the totals of "Kashmir North" and "Kashmir South". This heading being superfluous has been deleted from the present tables.

4. The figures of area of the Jammu and Kashmir Provinces are based on the information supplied by the Survey Department of the Government of India. The area figures of the Frontier Province have been repeated from 1921 Census Table.

5. The total number of villages is exclusive of 154 uninhabited villages besides 15 inhabited villages which constitute the towns of Kathua, Parol, Pampur and Skardu.

6. The population of 3 villages of Karlup Jagir of the Raja Sahib of Poonch is included in the population of the Jammu District as was done in 1921.

NOTE.—Remarks against items 1 to 3 apply to other tables also.

The total increase in 1921 and 1911 figures is of 10617 and 16365 persons respectively.

Females	.	4837	7526

The figures of Military population shown as sub-totals under Srinagar Municipality have been deducted and transferred to their respective columns against Badamibagh Cantonment.

5. The increase in the population of Sopore is also due to the transfer of the villages of Arampura, Chinkipura, Hamilna and Bagat to the newly constituted Notified area.

6. The increase in the population of Udhampur is similarly partly ascribable to the portions of Baharian and Umara villages having been incorporated in the recently constituted Notified Area.

7. The figures of Jammu City and Ranbirsinghpura town include the Railway Population of their adjacent stations in conformity with the instructions of the Census Commissioner for India. The Railway population of Jammu Cantonment Station has not, however, been included in the Cantonment figures.

NOTE 4 —In case of Kashmiri, Western Pahari and Punjabi languages, the principal dialect of a language has been taken as mother tongue in the Jammu Province, while in the Kashmir Province and Frontier Districts the aggregate of all dialects of these languages has been shown under the column of mother tongue. As such the details of these languages in Part I and Part II-A and B will not coincide. But in the case of 'Shina' which is generally spoken in the Frontier Districts the Principal dialect itself (*i. e.* Shina) has been taken as mother tongue in the Kashmir Province and Frontier Districts.

NOTE 5.—This table (Part II) is confined only to the following ten principal mother-tongues in the State, *viz.*,

(1) Dogri, (2) Kashmiri, (3) Gojari, (4) Pahari, (5) Punjabi, (6) Chabhali (Lehnda), (7) Pothwari, (8) Balti, (9) Ladakhi, (10) Shina.

NOTE 6.—The total population speaking one or other of the mother-tongues dealt with have been omitted in Part II-B in such Tehsils etc., where no person returned two or more subsidiary languages, but that the figures in columns 3—5 at the head of the table represent the total population of the State.

TABLE XVIII.

VARIATION OF POPULATION OF SELECTED CASTES.

Jammu and Kashmir Census 1931.

1. Figures prior to the 1911 Census have been omitted on account of their doubtful reliability.
2. The Figures of Kashmiri Pandits include vohras (attars) numbering 1,512 persons who are in reality Kashmiri Khatris.
3. The decrease in some of the Muslim castes is counterbalanced by the abnormal increase under "Kashmiri Muslims" which include a large number of castes.
